TOLL FREE

No tolls within 100+ mile radius of ramp

The ADM Intermodal Ramp is a 280-acre facility located in Decatur, Illinois offering non-congested, toll-free access to one of the country's heaviest truck and rail traffic flows. The ramp connects the Midwest to the East Coast of North America.

With 25-minute truck turn times at the ADM Intermodal Ramp, drivers spend more time on the road covering greater distances rather than sitting in long lines cutting into valuable drive time. The intermodal ramp is positioned near uncongested interstates. Trucks are at full speed within minutes of picking up containers.

WE HAVE IT ALL:
